**SUBMISSION OF PAPER AND CD-ROM COPIES OF SEARCH RESULTS**

Director of the U.S. Patent and Trademark Office  
Washington, D.C. 20231

Sir:

In connection with the above-identified patent application, several literature searches were conducted using on-line databases. These literature searches produced an extensive list of references. Submitted herewith are paper copies of the search results, along with a CD-ROM containing test files of the search results. These search results are being provided not as a formal Information Disclosure Statement, but rather as a search aid for the Examiner. The CD-ROM is being provided as a computer keyword searchable tool for the use of the Examiner.

Applicants recognize their duty of disclosure, but respectfully submit that they are not presently aware that any of the references in the search results are "material to patentability."

Should the Examiner have any questions regarding this matter, or the application in general, the Examiner is invited to contact Applicants' representative at the telephone number listed below.

Respectfully submitted,

  
James A. Oliff
